

Mr. Colby:

Donald
Colonel Marshall, from the Office of the Secretary of Defense, called STAT
to say he will be visiting the Agency this afternoon from 2:00-4:00 for
discussions on economic matters with [REDACTED]
Accompanying him will be Gus Weiss from the White House.

STAT

[REDACTED] asked if he could see you for ten minutes while he is
here -- on a matter pertaining to Southeast Asia. I explained that you would
be chairing a panel beginning at 2:00 but that perhaps you would be through
prior to his departure at 4:00, and said I would call him back. You indicated
that you would end the panel session prior to 4:00. Would you therefore like
to see [REDACTED] at, say, 3:45?
